## ANNUAL REPORT 1982/83

The season just completed must rate amongst the best in the 13 year history of our club. Total registrations numbered 112 - made up of 70 boys and 42 girls, an overall increase of 33% on last year and 60% on three years ago.

Whilst our membership is the highest in the club's history and we now rank as second largest club in the Diamond Valley; of much greater significance is our weekly participation and attendance. Average weekly attendance of 77 is an increase of approximately 100% in just three years.

### New Developments

The Enthusiastic input and co-operation of the committee has resulted in the following:-

- (1) Introduction of 'Gold Star' awards for personal best achievement - a very popular and meaningful innovation.
- (2) Design of a 'Club Logo' which has now been incorporated in our letterhead and produced on cloth badges.
- (3) Revised fee structure has placed the club in a sound financial position and resulted in acquisition of new equipment. Furthermore, all championship fees (\$176), relay fees (\$60) and inter-centre championship fees (\$50) were met by the club.
- (4) Use of high jump equipment and storage facilities for Wednesday training was successfully negotiated with Rosanna Golf Links Primary School.

### Financial

Club funds as at 21 March 1983 total \$801.02. A detailed statement of Income and Expenditure is attached, however main points can be summarized as follows:-

- Total income exceeded \$5,000 which is almost double the previous season.
- Major contributor to income was Saturday competition fees followed by fund raising, Registration Fees and uniform sales.
- Major items of expenditure were various fees paid to Diamond Valley totalling \$1,520 followed by our Presentation night and cost of uniforms.

### Training

The success of training during the season was due to some very reliable and hardworking people within the club.

We are all most appreciative of the efforts of Barry Carozzi, Graeme Lyons, Rod Yin, Ron Stafford, Russell Thomas and the many others who made training a worthwhile experience for the children.

A coaching clinic conducted by Ivanhoe Amateur Athletic Club on 17th November, 1982 was also very well attended. Considerable benefit was gained, particularly in the technique events of walking, jumping and throwing.

### Competition

The children are to be congratulated on a fine season and some very good performances. The final interclub ladder placed Rosanna third of the nine clubs in the competition.

### Individual Performances

Every child in the club has benefited from Little Athletics during the season whether socially, athletically or both. Though children learn about winning and losing they are encouraged to value a personal best performance. The Rosanna Little Athletics Club has succeeded in teaching this most important aspect of Little Athletics.

On an individual note however, many of our children have performed brilliantly. Particular mention should be made of under 10 star, Richard Illingworth, the Victorian Champion for 1100 metre walk - well done Richard.

### Individual Performances - Cont'd

Towards the end of the season the Diamond Valley Centre selected a team to compete at Reservoir and the State quarter finals at Aberfeldie. Twenty four of our children won selection in a total of 48 events - in fact more events than any other club. Congratulations to the following children :-

Erin Carozzi	Jane Albany
Chris Donnelly	Julie Clough
Adam Franklin	Melissa Palmer
Richard Illingworth	Elizabeth Flower

Adam Franklin	800 metres, 400 metres
Richard Illingworth	1100 metre walk

Julie Clough	100 metres, 200 metres and 400 metres

Furthermore we had two representatives in the Under 7, Under 8 Championships :-

Leanne Stafford  
Brett Ozimek

Our sincere congratulations to all these children.

### Club Awards

Each child who competes for the club during the season is presented with a medal in recognition of his/her efforts.

To win a gold, silver or bronze medal in an age group a child must have :-

1. Attained a standard of excellence by scoring a minimum total of points accrued over the season.
2. Scored first, second or third highest points in a particular age group over the determined number of events during the season.
3. Competed on a minimum of seven Saturdays during the season, consisting of four before and three after the Christmas break.

Club Awards - Cont'd

The points are awarded on the pentathlon system for events contested. Our club "POINTS SCORER" calculates and collates the points earned by each child to determine the medal winners. My sincere thanks to Bob Symons for a difficult job well done.

For a complete list of medal winners refer attachments to this report.

In concluding this report, may I congratulate the Rosanna Little Athletes on their excellent performances and improvement over the season.

Whilst only one girl and one boy can be club champion, each child should be very proud of their achievements and personal best performances and look forward to doing even better next year.
