

Rosanna Little Athletics Club
ANNUAL REPORT

2012-13

About Rosanna

Rosanna Little Athletics Club was established in 1970. Over 8,000 people have been part of the club in the past 40 years. The club participates at the Diamond Valley Little Athletics Centre, Willinda Park – Greensborough.

Rosanna Little Athletics Club is run by an enthusiastic group of parents who are committed to providing a fantastic environment for children aged 6 to 16 years of age to have fun and achieve their best!

Presidents Report

Little Athletics is a great sport for families. It provides families with shared experiences, connect families with a wide range of people across the community and provide opportunities for our children to grow their physical and social skills. Rosanna is not only a great sporting club but a great community club too. We have wonderful athletes, parents and family members.

This year Rosanna athletes broke the most number of Rosanna records ever – an example of the wonderful group of athletes we have at our club.

Many athletes represented Diamond Valley at Regional and State events and the PB Program again proved to be a hit! We also has one athlete, Emma Hanna, selected into the State Little Athletics Squad.

During the season Rosanna athletes achieved a collective record breaking 1,646 personal bests and did an outstanding job at the different Centre Championships with Rosanna finishing as the leading club in the club awards system and having the most athletes of any Diamond Valley Club.

During the 2012-13 season Rosanna had close to 30 active parents in leadership positions - including on the club committee, as age group coordinators, coaches and officials. These parents are the back bone of the club and without them Rosanna would not exist. As there are every year there are a number of parents moving on from the committee for next season and we need new parents to come onto the committee.

Thank you to all of our club sponsors and partners who contribute significantly to the athlete experience at Little Athletics including Diamond Valley Little Athletics Centre, Little Athletics Victoria, Miles Real Estate, Imperial Oil & Chemical, Digital Galaxies, McDonalds Muffin Break and Magnum Movies.

Club Achievements in 2012-13:

- 1,646 PB's achieved
- 158 Awesome athletes
- 39 New Rosanna Records Set (there are 346 Rosanna records set across all age groups and disciplines)
- 28 State top 10 finishes
- 20 State Track and Field Athletes
- 17 Rosanna State Track and Field Medals

- 16 Rosanna State Relay Medals
- 3 New Life Members
- 2 Rosanna State Multi Event Medals
- 1 Victorian Squad Representations
- A world class PB recognition and reward program
- A coaching philosophy based on fun and technique
- Rosanna finished as a leading club
- Continued strong usage of the Rosanna website
- A successful fund raising program that keeps costs down for families – the most money raised in club memory – close to \$4,000
- Regular SMS Communication to families.

We are all just passing through the club and this is my last year as President. I have had a great three years and have really appreciate the support of all of the committee, athletes and my family. I am looking forward to staying on the committee in a new role and continuing to strengthen and ensure our club remains the best little athletics club in the world!!

Well done everyone and see you next Season!!

Jamie Parsons

**PRESIDENT
ROSANNA LITTLE ATHLETICS CLUB**

Secretary's Report

Well what a wonderful year RLAC has had. Starting with a big bang at our sign up day at Macdonalds in Yallambie. We Welcomed back old families and welcomed new families. Children with broken arms arriving to sign their brothers up also signed up. We encouraged children who felt they were too slow to sign up, as there are no losers at RLAC.

What was a new and changeling role for me as secretary, has become a role that I have enjoyed, and would encourage anyone thinking of becoming a committee member to put their hand up and join the passionate group of parents wanting to see all children having fun and staying fit.

Watching all the children improve week in and week out brings a smile to my face, also getting to know all the parents, both new and old enriches your life and encourages new friendships for all involved.

Our Bunnings fundraiser was a big hit, and while I'm sure Shana and Laz never want to see onions again, there were a major selling point, and we had a very successful day. With nearly every family helping out, showing that RLAC is a family focused club.

Our other fundraiser brought joy to the children, with lots of silent auctions, the bike begin a big hit, along with lots of One Direction pictures, lots of yummy foods to eat and enjoy.

Our children have also done extremely well with over 1600 PB's recorded for the year. A new record!! Well done everyone. We also had a large number of Rosanna Athletes' give it their all at both Regionals and State, with lots of gold, sliver and bronze around the necks of our athletes.

Well Done to all on a positive and successful year of Athletics.

Ruth Bloom

SECRETARY RLAC

Treasurer's Report

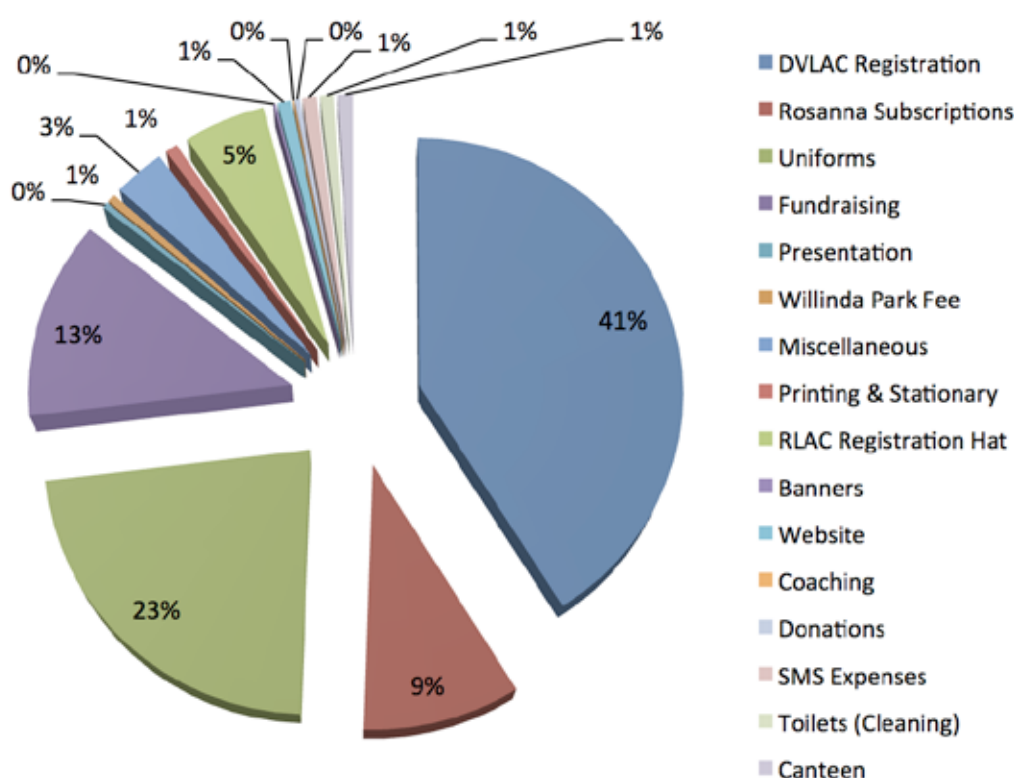

With the increase in club activity this season, there were many challenges in ensuring our finances remained stable. Certainly our various fundraising activities assisted us in ensuring we stayed on a positive financial pathway throughout the season. There is still some work to be done in accounting for, and allocating all income and the finance team are working towards completing this prior to the audit, however interim estimates for income are \$36,613.20 which is marginally higher than last season.

Our expenses this season to the 2nd April 2013 were \$32,704.53 with centre DVLAC registration fees and uniforms being the most significant expenses. Centre registration and subscriptions alone totalled \$17,487.00. There are still some minor expenses to come prior to the close of the reporting period, but these have been budgeted for. The Club is on track to have around \$9,000 in the bank when all costs are accounted for at the end of Season 2012-13.

The following graph outlines where our expenses have been in more detail.

Income and expenses for the 2012 - 2013 Season

Rosanna is in a reasonably good financial position, which is a credit to the committee and local business interested in investing in the community organisations such as ours (Miles Real Estate). Miles Real Estate donated \$1000.00 to the club during the season. We also thank Imperial Oil and Chemical for donating \$300.00 that contributed to the cost of the Club Champion Penants.

The audit will be available later in the year after presentation to DVLAC.

Connie Cardile & Grant Stowell

RLAC FINANCE TEAM

What a great season it was for Rosanna! This was my first year as team manager and I want to thank everyone for their help.

We had some terrific results this year. Our 158 athletes achieved 1,646 PB's!

We won a ton of medals at Centre relays, Centre Multi and Centre Track and Field and many of our athletes went onto represent Diamond Valley at Regional and State Championships to represent Diamond Valley.

Rosanna athletes finished first in 6 different age groups including:

- Under 8 Girls
- Under 10 Boys
- Under 11 Boys
- Under 12 Boys
- Under 13 Girls
- Under 16 Boys

We had 20 athletes qualify for State Championships and won a club recording breaking 17 medals at State Championships.

Congratulations to Emma Hannan for making the Victorian State Squad.

Well done everyone, thank you to all Age Group Co-ordinators and I look forward to seeing everyone again next season.

Bob

BOYS TEAM MANAGER

Personal Best Coordinators Report

The Club goal of 1530 PB's was set at the start of the season and was smashed over the Centre Championship weekend with the "Purple Haze" achieving 1646. An excellent effort by all our athletes!!! Well done.

With so many athletes achieving many personal best it was not a surprise that in there endeavours to challenge themselves 39 club records were broken or established some of them long standing records of 27 years or more.

We would like to thank the following sponsors for helping make the PB program a success. We also would like to thank all the parents who support the program by enabling your athletes to redeem their reward and validating their accomplishment.

- Muffin Break Greensborough.
- Mc Donalds Yallambie
- Cold Rock Ivanhoe
- NRG Force Thomastown
- Magnum Movies Yallambie
- Bakers Delight Rosanna.

We also would like to personally thank Simon Rigoni and Debbie Keppel for being available to take photos for our recognition board and club records the recognition board wouldn't be the same without photos.

Also thanks to all the age group coordinators for assisting in handing out the rewards.

Thank you all for another successful season

Until next season, Go Rosanna Go !

Warren and Sue Zerna

PERSONAL BEST COORDINATORS

Season 2012/13 has been a rewarding experience for all athletes and parents involved with the club. The club is now the largest in the centre due to a hard working committee and focusses on athlete participation and enjoyment.

One of the main features of the club is the PB program developed by Sue and Warren Zerna which encourages athletes to give their best on all occasions. From a coaching point of view, it has been a great pleasure to see athletes improve on a weekly basis.

A special thank you to Biju Philip, Richard Todd and Jamie Parsons Collins for their coaching involvement this season and to Grant King who helped develop strong coaching standards in previous years.

Congratulations to all athletes and hope to see you all next season.

COACH

Fundraising started off with a bang this with our annual Cadbury Chocolate Drive. This years we sold 120 boxes of chocolates. A big thank you goes out to all RLAC parents for their support! A special thank you goes to the Bloom and Davis families who sold almost 15 boxes of chocolate between them - Well done!

Fundraising efforts then went into hyperdrive with the addition of a Bunnings Warehouse Sausage Sizzle in January. A huge thank you to the parents who volunteered on the day. A great day was had by all and it raised additional fundraising funds needed to support our little athletes. I know I can't wait to do it again next season!

Fundraising efforts didn't stop there. This year our centre fundraising stall almost tripled its intake with a little help from the Biebs, RLAC club bakers and a subsidised kids racer from Super Cycles in Watsonia (thanks Ruth). A huge thank you again to all the bakers and those who donated goods it was a brilliant effort!

This year fundraising efforts were raised to a new level and it couldn't have been achieved without the help and support of our committee and RLAC parents. So if you've got a fundraising idea or are handing in the kitchen (or with a pair of tongs) we'd love to receive your continued support and raise the bar again next season.

Thank you!

Shana Simonovski

FUNDRAISING CO-ORDINATOR

This year was a successful year for the club and that meant more uniforms were sold, to accommodate the increase in numbers.

Rosanna Singlets, were again popular with the older athletes and males with 17 being purchased. Rosanna T-shirts were the most popular garment with 43 purchased.

Rosanna Hoodies continued to be popular on the cold mornings, with 25 being purchased this season. 90 Rosanna Caps and many Bucket Hats were distributed.

The purple haze continues to look great.

Many thanks to Ali Mlikota for all her work assisting with the uniforms. A big thanks to Ruth for all her assistance at the Sign Up Day. Thanks to Connie, Grant and Sharon. H who worked well with Ali and I throughout the year.

Parent Duties Report

Go the Purple Haze!

Susanne Derrett

UNIFORMS MANAGER

I would once again like to thank the parents of Rosanna athletes for all the support I have received during the season. I would particularly like to thank Rob Prendergast for his amazing commitment to making sure all parent roster positions were filled. He has worked tirelessly all season, and with great humour. Well done Rob.

I would also like to acknowledge the wonderful Rosanna committee, headed by Jamie, for making the season run so smoothly, and for making Little Athletics a fun place for all the family – not just those children competing. I am grateful to have met, worked and socialised with such a wonderful group of people.

There were, as always, a large number of parents who were more than happy to fill any role I needed on the day. And by the end of the season, most people were reading the roster on the website prior to the day, and were aware of when and where they had been rostered. Some people were even remembering to text me if they knew they would not be attending a session. It is a great help if I know beforehand whether a family is participating on any given weekend. Thank you all very much.

At the risk of sounding like a schoolmarm, it was a little disappointing that a very small minority of parents avoided doing their rostered duties. This places unnecessary strain on the committee and other parents. We all want the ability to support our own children – which is the reason we are there after all – but whenever a parent misses their duty to watch their children, another parent has to do double duty and misses their children twice!

The roster can two hours (or more) each week, as I do check which families have events at different times, to make sure that no-one is rostered on too early or late, only when their child is required. It is worth noting that with the size of the club now we have even more duties. As we have two venues for Shot Put, we often are officiating for clubs other than Rosanna – so no one is getting to see their children while doing this duty. Also, the centre requires us to do pack-up duties and set-up duties a couple of times a season, which is outside the programme time.

Most of the jobs we are required to fill are very easy, and require no prior knowledge. The jobs also allow you to understand what your children need to do each week. However, we do need some people next season to step up to official level. We would particularly benefit from some extra people willing to learn how to be a High Jump Chief, as Mark Raheke will not be returning next year. Mark has for many years been a fantastic volunteer and has kept High Jump operating for us. Ruth Bloom has ably stepped up this year, but we cannot rely on one person only – she was magnificent on Centre Championship duties, but missed every event her own children were competing in! This should not happen. The more officials we have, the less this situation will occur.

Thank you to our chiefs for 2012-13 for putting in a lot of effort every week: Mark Raheke, Ruth Bloom, James Lynch, Bob Derrett, Bill Wagg, Jocelyn and Cormac McCarthy, Rob Ellis, Jamie Parsons, Rob Prendergast, Simon Rigoni, Grant Stowell and Tony Hannan. Thank you all very much. These parents are fantastic, and have given a lot to the club. It would be great if they could watch their children compete occasionally! The more people officiating, the less each official needs to do. Please let any committee member know if you are interested in officiating. We will certainly do everything possible to make it easy for you to do so.

Athletics, more than any other sport, requires the ongoing commitment of parents to run the programme. Thankfully, we have a great community of parents, and our children are able to benefit from the effort they put in.

I look forward to seeing everyone again in the 2013-14 season.

Registrars Report

Once again RLAC had a fantastic year!

Sign-up day proved once again very successful with 71 athletes signing up on the day. Due to the large volume of athletes that Rosanna has, sign-up day is vital in taking pressure off everyone from the come'n'try days.

This season we had a steady flow of new athletes with some families even signing up after the Christmas break.

RLAC ended up with 158 registered athletes just shy of the 161 last season. We did however retain 11 more athletes than the previous year.

May I take this opportunity to thank the RLAC committee for all of their support and friendship over the years. Good luck to the next Registrar.

Thanks!

Sharon Hankinson

Under 6 Athletes

The Under 6 athletes embraced the club theme of fun, fitness and friendship.

We had approximately 11 athletes most of whom participated for 10 or more weeks and one athlete who attended every session. We hope to see these athletes return to the club next year for U7's where they will be able to consolidate their skills and also start competing and have recorded times and distances.

Well done!

Warren and Sue Zerna

Under 7 Athletes

What an awesome group of approximately 17 athletes we had. We could tell by the smiles on their faces when they returned to the tent that our club philosophy of “challenging yourself” was being fulfilled especially when they got to officially compete.

As a group at the Centre Championships, they got to showcase their skills and they achieved: 4 Gold, 2 Silver and 3 Bronze. Awesome!!!

We also had several athletes challenge themselves by competing at a region level.

One athlete competed at the Region Multi Championships and Medaled.

Three athletes competed at the Region Track and Field Championships with one medaling and all having top 10 finishes and several competed at the Region Relay Championships (exact information not available at the time of report).

We hope to see all these athletes return to compete as U 8 athletes and participate in the PB program.

Go Rosanna Go !

Warren and Sue Zerna

Under 8 Girls

Being the age co-ordinator for U8 girls gave me the opportunity to know better the girls and their parents, less to say I know all the family secrets! Girls are chatty... On a serious note, their bonding and fair play was inspirational and the enthusiasm contagious. Love to see them all next year.

Monica Turcu

Under 8 Boys

The exuberance and the energy of the under 8 boys was, at times, demanding but also infectious.

I appreciated the help and advice of Karl Schroeder, committee members and parents. The group became great friends, and encouraged each other along the way, gaining many PB's and place achievements.

They have loved joining the 'big boys' and being part of the competitions.

Beryl Hahn

Under 9 Girls

The Under 9 girls put in a superb effort this year and I was very proud of their achievements. All of the girls did very well and had many PB's between them which is what we like to see. We had a few new faces and many of the old faithful. I look forward to looking after the girls again next season as they head into the under 10's.

Bronwyn Meaden

Under 9 Boys

It was a wonderful to help this very talented and committed group of under 8 boys. They did their best each week and also showed camaraderie and respect to each other and to myself.

Thank you to everyone who helped me each week and to the Rosanna Committee for all their support.

Sabine Hauser

Under 10 Girls

The Under 10 Girls consisting of Grace Lynch, Elizabeth Lawson, Rachel Hannan and Abigail Derrett had a fantastic season. The girls had lots of fun and achieved great success.

The Centre Championships weekend saw the girls achieve at least 13 Pb's, a few medals and some top 5 finishes, a great way to end the season at Willinda. At Region Track and Field Abigail, Elizabeth and Rachel competed. Rachel and Elizabeth progressed to State Championships. Rachel was a finalist in Discus. All the girls participated in centre relays.

Rachel and Abigail competed at Box Hill Relays and Region Relays. Rachel went to State to compete in two events. The girls performed well at Centre Multi. Rachel and Abigail competed at Region Multi. Rachel placed 5th. Rachel went to State Multi and had another good result. It was a great year for all the girls. Let's hope next season will be even better.

Susanne Derrett

Under 10 Boys

'Congratulations to the U10 boys this season. It was clear that everyone enjoyed competing and were looking to do their best each week.

We had plenty of PBs this year and well done to the boys who won centre medals and competed at State level. It was a great team to be a part of and I hope that you all return for more success next season'.

Jared Willits

Under 11 Boys

The 2012-13 season has been another great year for the U11 boys. They have all competed to the best of their ability and we have seen many PB's by all of the boys. Each week they stick together and the sportsmanship amongst them is great to see.

I know that many of the boys are looking forward to next season as it's the next phase of little athletics when starting blocks and running spikes are allowed to be used.

Hope to see all you great lads back next season. Well done Boys!!

Rob Ellis

Under 11 Girls

The Under 11 Girls consisting of Olivia, Lillie, Brianna, Sophie, Rosie and Lucinda had a fantastic season. It was great to see 4 new athletes start the season. The girls had lots of fun and achieved great success. Improvements could be seen each week in the girls, as they became more confident. It was great to see the girls get a medal at Centre Relays.

Rosie and Lucinda represented Diamond Valley at Region Relays, Region Multi (finishing 5th and 6th) and Region Track and Field. Rosie was successful at Region Relays going on to State Relay Championships. Rosie also competed at the State Multi.

The centre Championships weekend saw the girls perform well achieving a few Pb's and some medals. A successful Region Track and Field weekend for Rosie and Lucinda, allowed the girls to qualify and progress to State Championships. At State Lucinda achieved 2 Bronze medals and 2 finalist ribbons. Rosie made State in 3 of her events. Hope to see all the girls back next season.

Susanne Derrett

Under 12 Girls

Hello my GU12's and parents,

What a season it has been!! We've seen a lot of PB's and achievements across the board. Gabby always kept me on my toes wondering where she was when her race was called.....lol.....Some came only for the events they preferred to do which is fine as well as I know most of the girls had outside interests that may have kept busy and difficult to make Littles. And Sophie was my "cameo" girl. One minute she was there.....the next she was gone!

My girls didn't really need a coordinator as such because they are all "young women." Yet it was a pleasure and honour to be a part of such a wonderful group. I hope they all are very successful in whatever path they choose and I know I will always see them "around town!"

Linda Langford

Under 12 Boys

This year we added a couple of new champions to our mix and together the team achieved countless PB's week after week and broke several club and centre records. While this year some events appeared more popular than others (namely motivating the boys to compete in the 1500m was always a challenge), all of the under 12 boys put in a champion effort this year.

Great job boys and let's keep the momentum going next season!

Laz Simonovski

Under 13-16 Athletes

This season we had 23 senior athletes sign up. Although regularly we only had on average 17 regularly come each week.

In the Centre Relays, 17 athletes competed with 11 of them coming away with at least one medal.

We had 6 senior athletes progress to State, congratulations to them all, and 2 Under 16's – Hemi & Jazmyn who came home with a swag of medals from Region (U16's don't compete at State (yet!))

RLAC wish our Under 16's – Jazmyn, Hemi, Jordi & Josh all the best and hopefully they will go on competing at a higher level. Good luck to them all.

Go Rosanna!

Sharon Hankinson

Life members

Hemi Raheke

Highlights and achievements:

- Joined RLAC in Under 9's coming over from Preston/Reservoir for better competition
- 2005-06 won Silver at State Relays in 4x100 and 4x200 (U9)
- 2006-07 won Bronze at State Relays in 4x200, Gold in Medley (U10)
- 2010-11 Age Group Champions – RLAC (U14)
- 2011-12 Age Group Champions – RLAC (U15)
- 2011-12 won Bronze at State Relays in 4x100 and 4x200 (U15)
- 2011-12 won PB achiever award (U15)
- Made State Track & Field every year from U9-15

Jazmyn Keppel

Highlights and achievements

- Joined RLAC in Under 9's
- 2008-09 won PB achiever award (U12)
- 2009-10 won Bronze at State Relays in 4x100 (U13)
- 2009-10 won Senior Club Champion (U13)
- 2010-11 won Senior Club Champion (U14)
- 2011-12 won Senior Club Champion (U15)
- Made State Track & Field every year from U9-15

Life members

Jordi Hankinson

Highlights and achievements

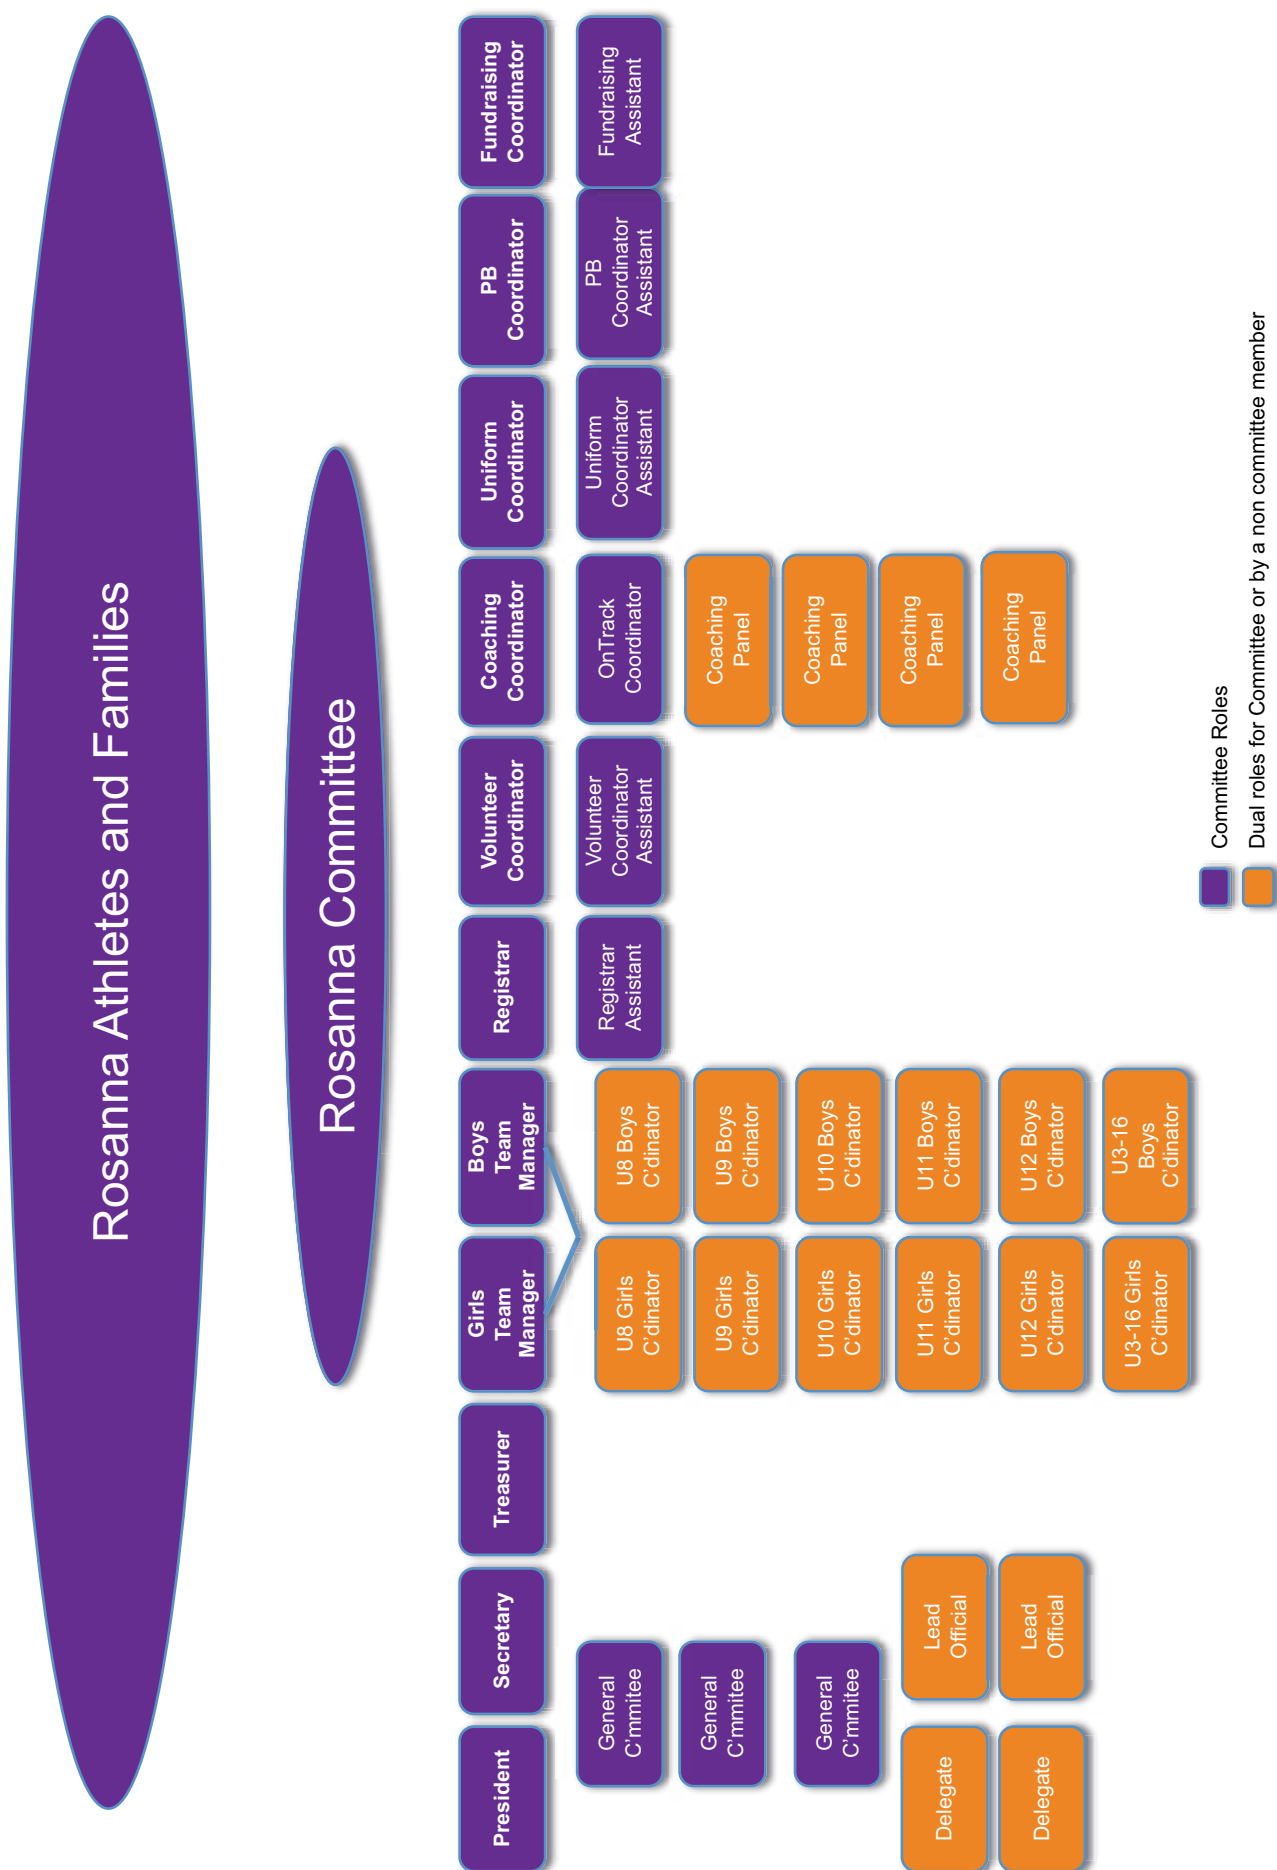

- Joined RLAC as an Under 7 On Tracker with a couple of kinder friends
- 2004-05 won second place for age group champion (U8)
- 2005-06 won second place for age group champion (U9)
- 2006-07 won second place for age group champion (U10)
- 2010-11 won third place for age group champion (U14)
- 2010-11 Age Group Champions – RLAC (U14)
- 2011-12 Age Group Champions – RLAC (U15)
- Progressed to State Track & Field for SP for the first and only time (U15)!
