PRESIDENTS REPORT SEASON 1985/86

Whilst preparing this report I asked myself "has the season been a success?" In answering this question I referred to the objectives of the Little Athletics movement -

- ... "It's for fun"
- "It's for fitness"
- "It's for the family"

Did the Rosanna Little Athletics Club achieve these objectives? Yes - I think we did, therefore our season was successful.

This approach does not demean the wonderful results attained by the children representing the Club, but rather addresses the concerns of all the families associated with the Club.

The childrens' performance was once again of an extremely high standard. The Diamond Valley Centre grants three major awards each season with the 1985/86 results as follows -

- Inter Club Champion - 1st Rosanna
- Overall Aggregate Points - 2nd Rosanna
- Aggregate Number of Points for Centre Championships - 1st Rosanna

This result equals the Club's previous best-ever performance achieved two years ago.

Every competitor has contributed towards these awards, therefore, the Club as a whole is extremely fortunate, and on behalf of the Committee I offer sincere thanks and continued encouragement to all.

SEASON HIGHLIGHTS

Relay Team Winners

Girls

U9 Silver Medal
U10 Silver Medal
U11 Bronze Medal
U12 Gold Medal*
U14 Silver Medal
U15 Silver Medal

Boys

U10 Bronze Medal

SCORING SYSTEM FOR AWARDS

Each child who competes for the Club during the season is presented with a medal in recognition of his/her efforts.

To win a gold, silver or bronze medal in an age group, a child must have:-
- Attended a minimum number of weeks for the season, ie four weeks before Christmas and three after.

- Scored first, second, or third highest points score in a particular age group over the determined number of events during the season.

The points are awarded on the pentathlon system for events contested. The points scorer calculates the accumulated points for each competitor to determine the medal winners.

AMENDMENT TO CONSTITUTION

Item no. 8 of the Club constitution presently reads as follows :-

"The Committee shall meet as determined by the President or a majority of the Committee at a time and place decided by the Secretary and shall be a valid meeting attended by not less than half of elected members."

An amendment has been proposed by the Committee :-

" is a valid meeting when attended by not less than six of the elected committee members including at least three of the executive committee members."

Gold Star Awards

The foregoing details those competitors who have been successful in awards, record-breaking or Centre representation, however, the most important aspect of all is the "gold star", which was introduced some years ago. A gold star recognises a personal best for the season, and surely, if a competitor has achieved a personal best performance, then nothing more can be expected. Many gold stars are awarded each Saturday.

Presentation Medals

For some years the Club has expressed the desire to improve the standard of medals presented to the winners in each age group. Tonight we are fortunate to have the new medals available. An extraordinary amount of effort has been expended by Graeme Lyons, from design through to direct liaison with the manufacturer, and my sincere thanks is expressed to Graeme for such a wonderful end result.

Parental Participation

In my opening remarks I referred to family participation. It has been most gratifying to see so many parents, Committee members or not, assist in the wide variety of tasks whether it be during Saturday competition, or mid-week for some other activity. Little Athletics must have direct assistance from parents to function, and quite apart from this, the children require moral support from parents who are present at Willinda Park on Saturday morning.

Thank you to one and all who have contributed in so many ways to achieving such a successful season.

Several children won't be returning next season for a variety of reasons - the Under 15's who are now ineligible to compete, those families who are moving interstate, or those who won't be re-joining us for other reasons.

To all those families, the Club wishes to acknowledge your participation and support and hope that you will continue in active sporting competition.

Financial

The Treasurer's report is attached, however, some of the key aspects are -

Opening Balance	\$1465.10
Income	5008.29
Expenditure	5950.18
Closing Balance	523.21

* 4 *

The decline in Club funds is directly attributable to the new medals, particularly the initial establishment costs. To reduce the piece cost of each medal a minimum quantity was required to be ordered, with the result that only a small outlay is required next season.

To Graeme Lyons as Treasurer, and to Linda Sansome as Fund-Raising Officer, for their continued efforts - a well deserved thanks.

Training

A dedicated group of parents conduct training on Wednesday evening, the benefits of which, particularly in field events, have been clearly visible, as the childrens' performances have improved significantly.

To Club Coach Bill Telfer - ably assisted by Graeme Lyons, Rod Yin, Phil Koraitzas, Robyn Warburton, Lyn Young, Jim Shand, plus others not mentioned, our gratitude is expressed.
