## **PRESIDENT'S REPORT – SEASON 2005/2006**

As this is my first year as President, I found season 2005 – 2006 very rewarding for both myself and the Rosanna Club. Our recruitment has been very successful once again reaching a total of 89 athletes with 52 new registrations of which 23 were On-Trackers.

The on-track program continues to be an integral part of our club and indeed DVLAC. It enables our young athletes to participate on a weekly basis and also having lots of fun as well as learning different facets of track and field events for when they progress through to competition program in full.

My thanks go to the parents for their support of this fine program and to the children for their enthusiasm. The club and I would like to express our thanks to Chris David for his role as On-Track Leader.

To our Club athletes, I congratulate all of you on your wonderful achievements throughout the season whether it be at club level, region or state championships and for this reason I only hope you continue your success with us next year. We have a delightful group of children who made my mornings each week jump for joy as many of them obtained lots of PB's and having a big smile on their face when a Gold Star is placed on their tickets. Tonight I and the club will acknowledge 3 young adults whose journey in their Little Athletics career has come to an end. To Simone David, Stephanie Arrowsmith and Giles Richardson I wish you all the very best of success in your future endeavours. Your attitude to the sport is very admirable. Good luck to you all.

I have been extremely fortunate in my first year as President to have a wonderful and very enthusiastic committee, so I take this opportunity to thank you all for your tireless and willingness contribution given to the club throughout the season whether it be at our Committee Meetings or on Saturdays at the Rosanna table collecting subs, recording athletes results and answering many queries. Keep up the good work.

Our fundraising activities this season was a huge success. I would like to pass my sincere thanks to Kate Greenwood for her time and effort in organising these activities starting with our cake stall held on relay centre championship day and finishing with a chocolate drive. Again thank you to everyone who donated to our fundraising activities as these funds are

essential in providing our end of season functions and also providing our athletes trophies.

Our athletes were chosen to represent the Diamond Valley Little Athletics Centre (DVLAC) at Region and State Championship where they competed in Relays, Track and Field, Multi-Event and Cross Country. Their contributions enabled DVLAC to be extremely competitive at these levels. The Rosanna club has maintained a strong presence during the season and all our athletes have done us proud.

On behalf of Rosanna LAC, Committee, Parents and Athletes I would like to thank the DVLAC Executive for their time and efforts in providing all of us with another successful and enjoyable season of Little Athletics.

Our Committee officiated at our two venues Discus 2 and Shotput 3 and were never short of retrievers, measurers or recorders; we have regular volunteers assisting in all Centre duties including canteen, toilet duty, ticket writing for the front and back straight and circular events as well as Centre set up and pack up. I thank you all for your assistance and support given throughout the season and I only hope that your assistance with the club will continue to be a long and happy one.

I would like to take this opportunity to extend a special thanks in particular to Sharon David who is leaving us tonight. She has been with our club for the past 9 season and in that time she has carried out duties as Committee Member, Secretary and President. Her welcoming smile and encouragement at the Rosanna table will be missed by us all.

On behalf of Rosanna LAC, Committee, Parents and Athletes I wish her and her family all the very best for the future.

In closing , I encourage all of you to continue to support your children in their athletic aspirations and remain a part of this club. I would also ask parents to raise your hand and become a member of our Committee you will find it enjoyable and rewarding and above all this is one way of supporting your children in their endeavours.

To the incoming Committee for season 2006-2007 I wish all the success. Parents and athletes I hope you have a safe and restful winter and look forward to seeing you all back next season.

Sincere regards

Marino Bovo  
President – Rosanna LAC

## SECRETARY'S REPORT - SEASON 2005/2006

It is with a heavy heart that I write this, my final report, which marks the end of a 9 year association with the Rosanna club.

My job as secretary involved dealing with all correspondence sent to the club (both email and "snail" mail), reporting these to the committee and taking minutes at our monthly Committee meetings. The Committee meeting minutes have recorded all reports from committee members, including Treasurer, Team Manager, DVLAC Delegate, Registrar and Uniform Coordinator and discussions and decisions on issues arising at Club and Centre levels.

The 2005/2006 Committee comprised of only 2 returning members, myself and David McKinnon and I would like to acknowledge the new members' enthusiasm and dedication. The fresh input has seen our fundraising profits increase, and a dynamic club full of many ideas for the future. Our club will have a very bright outlook thanks to their input.

Activities this season have included a very successful Registration morning in the Rosanna Parklands and 2 profitable Fundraising endeavours, these being our Centre Fundraising day held on Centre Relay Championship day and our marvellous Chocolate drive. Thank you, Kate Greenwood for your tireless efforts for the club.

Again the Centre Committee, via Andrew Edney, have regularly sent relevant information to clubs via email and the weekly DV8 newsletter. This wealth of information has seen the elimination of the weekly secretary's meetings during the course of Saturday's program.

Rosanna has had regular input at the monthly DVLAC Delegate's meetings. Our representation has come from Anthony Crabtree, Marino Bovo and on occasion Chris Greenwood. Anthony was also the DVLAC representative at the monthly Northern Metro Region meetings. Their support of our club is greatly appreciated.

The parents and athletes of our great club are such a huge support, it makes the jobs of all committee members enjoyable and rewarding. I encourage all current families to continue their association with Rosanna and I sincerely hope that all our Rosanna athletes have enjoyed their season and that they return in Season 2006/2007.

Thank you all once again for your years of support and may  
your years with Rosanna reward you as they have my family and  
I.

Season 2005\2006

## TEAM MANAGERS REPORT – SEASON 2005/2006

It has been another very successful year for athletes in the Club. With over 80 registrations we regularly had 55 – 60 athletes compete week in week out. The improvement in performance this year of many athletes was outstanding – with many getting a 20 per cent improvement in performance in events between the start and the end of the season.

I would encourage parents to review their athletes performance journey over the season with them.

The number of personal best performances by athletes each week continued to grow as the season went on – I kept having to go to the newsagent constantly throughout the season to get replacement “stars”.

The interclub relay events were a highlight of the year with a number of Rosanna teams in the medals.

Medals in this seasons Centre Championships were won by Danyon Reinbold, Natalie Starr, Hemi Raheke, Tim Kuek, Laurence Schubert, Jade Crabtree, Greg Beriman, Peter Bovo, Olivia Reinbold, Alex Copeland, Kara Harbinson, Stephanie Arrowsmith, Patrick Donnelley, Hayley Van Zuylenkom, Clare Greenwood, Alex Copeland, Kate Van Zuylenkom and Giles Richardson.

We had athletes compete successfully at region and state relays, the region and state multi event and at the State championships.

Stand out performances at the higher level of little aths came from Jade Crabtree - first in the State Multi event for U10 girls and second in the State in the U10 girls 80 hurdles, and Laurence Schubert – second in the State Multi event for the U10 boys, and first in the State for the U10 boys 80 Hurdles.

Club records were set by Laurence in the U10 boys 200m, and 80 Hurdles; by Jade in the U10 girls 80 Hurdles; and Olivia Getson in the U12 girls Hurdles.

Centre records were set by Laurence in the BU10 80 Hurdles and by Jade in the GU10 Multi Event.

Thank you to Anthony Crabtree for co-ordinating athletes participation in Wednesday night training.

David McKinnon  
Team Manager

## **REGISTRAR'S REPORT – SEASON 2005/2006**

89 registrations were received this season

47 Boys

42 Girls

37 Re-registrations

52 New registrations

40 before the season started

26 on the day the season started

18 towards the end of last year

2 late in the season this year.

It's been wonderful to see existing club members gain in experience and improve on their times and distances.

It is also thrilling to see the brand new faces shining when achieving better times and measures than when they first started.

Thank you all for making the Rosanna LAC the happy club it is.

Chris Greenwood.

## **FUNDRAISING REPORT – SEASON 2005/2006**

The annual cake stall and raffle raised approx. \$430.00 this season. It was a fabulous effort on Sharon's behalf to arrange and collect a wide variety of donations that she then presented, beautifully wrapped, on the day.

Thank you to all the wonderful parents & kids who baked goodies for the cake stall.

The MARS chocolate drive was organised as a special fundraiser this season so we can purchase our own weather shelter. Marino has ordered a double sized shelter (see Greenbriar's) in Rosanna colours.

Screenprinting will be completed once we have selected a team mascot.

Next season we will all be spared the rain, hail & UV rays!

Kate Greenwood wishes to give a HUGE thanks to all the families who bought and sold the choccies to raise a massive \$1350.00.

Kate has lots of ideas for smaller scale fundraising for next season – how do Christmas puddings and fruit mince pies sound?? If there are any parents who would like to assist with fundraising please make yourself known to Kate early on in the 06/07 season.
