

Rosanna Little Athletics Club
ANNUAL REPORT

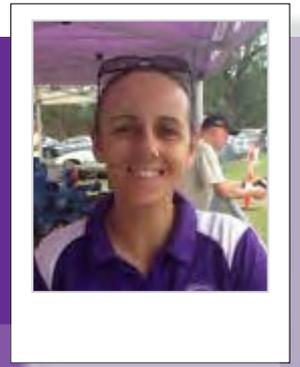

2013-14

About Rosanna

Rosanna Little Athletics Club was established in 1970. Over 8,000 people have been part of the club in the past 40 years. The club participates at the Diamond Valley Little Athletics Centre, Willinda Park – Greensborough.

Rosanna Little Athletics Club is run by an enthusiastic group of parents who are committed to providing a fantastic environment for children aged 6 to 16 years of age to have fun and achieve their best!

From the President

Little Athletics is a great sport for families. It provides families with shared experiences, connect families with a wide range of people across the community and provide opportunities for our children to grow their physical and social skills. Rosanna is not only a great sporting club but a great community club too. We have wonderful athletes, parents and family members.

Rosanna Little Athletics Club was established in 1970. Over 8,000 people have been part of the club in the past 40 years. The club participates at the Diamond Valley Little Athletics Centre, Willinda Park – Greensborough.

This year many Rosanna athletes represented Diamond Valley at Regional and State events and the PB Program again proved to be a hit! We also had eight athletes accepted into the State Development Squad - Well done great work!

During the season Rosanna athletes achieved a collective record breaking 1,711 personal bests and did an outstanding job at the different Centre Championships with Rosanna finishing as the leading club in the club awards system and having the most athletes of any Diamond Valley Club.

During the 2013-14 season Rosanna had close to 30 active parents in leadership positions - including on the club committee, as age group coordinators, coaches and officials. These parents are the back bone of the club and without them Rosanna would not exist. As there are every year there are a number of parents moving on from the committee for next season and we need new parents to come onto the committee.

Thank you to all of our club sponsors and partners who contribute significantly to the athlete experience at Little Athletics including Diamond Valley Little Athletics Centre, Little Athletics Victoria, Miles Real Estate, Imperial Oil & Chemical, Digital Galaxies, McDonalds Muffin Break and Magnum Movies.

Club Achievements in 2013-14:

- 1,711 PB's achieved
- 148 Awesome athletes
- 35 Club Records
- Representative athletes at State Championship Relays and Track & Field
- 1 New Life Member
- 8 Athletes represented in the State Development Squad
- A world class PB recognition and reward program
- A coaching philosophy based on fun and technique
- Rosanna finished as a leading club
- Continued strong usage of the Rosanna website
- A successful fund raising program that keeps costs down for families – the most money raised in club with over \$5.5K raised.
- Regular SMS Communication to families.

I have enjoyed being President and really appreciate the support from the committee, athletes, parents and my family. I am looking forward to 2015!

Well done everyone and see you next Season!!

Ruth Bloom

**PRESIDENT
ROSANNA LITTLE ATHLETICS CLUB**

Secretary

Another fantastic season for Rosanna Little Athletics Club. For 43 years we have been a key part of our community and it is great to see we are still going very strong.

Shana and Laz again did a great job fund-raising, Robin and Clare as Team managers were outstanding and where would we be without our great parent coordinators Michelle and Rob. A big thank you to Ruth our wonderful president and thank you to all the committee and all who helped out during the season.

But of course our true stars our athletes all of whom did an outstanding job again this season. We are really proud of each and everyone of you!

Well done to everyone and I look forward to seeing you all again next season!!

Jamie Parsons

SECRETARY RLAC

Treasurer

As of the 14 of March 2014, Rosanna Little Athletics has a balance of \$20,320.61. However we still need to cover expenses incurred during the 2013-2014 season and presentation day.

The total cost of subscriptions paid to Diamond Valley so far has been \$4,646.00 still owing \$3,000.00.

Fundraising once again proved most successful raising over \$5.5K from the Cadbury Chocolate Drive, Bunnings Warehouse Sausage Sizzle and the Centre Fundraising stall.

During the season we spent a total cost of \$1,702.00 on uniforms with plenty of stock available for the next season.

Rosanna Little Athletics Club is in a fairly good financial position this is a credit to the hard work and dedication of the committee members and families.

We would like to take this opportunity to thank the Rosanna Little Athletics committee members for their assistance during the season.

Connie Cardile

TREASURER

Team Managers

After 18 weeks of normal competition, 148 Athletes had competed as part of the purple haze at Rosanna LAC. Having competed in 5,217 events for the season.

As always, the focus has been to continually improve one's own performance, with a major focus of our club being the PB Shield, magnificently run by Sue and Warren Zerna.

Not wanting to single out any particular athletes, but we have to acknowledge the following athletes that did not miss one weekend throughout the entire season. Now that's dedication to our sport.

- Abigail Derret
- Jennifer Ou
- Oliver Craft
- Rosie Mlikota

Thanks to all the committee for their support for the year and we look forward to being a little more organised next season.

Clare & Robin Luber

TEAM MANAGERS

Fundraising

Club fundraising efforts for 2013-14 had a sweet start with our annual Cadbury Chocolate Drive. A big thank you goes out to all RLAC families who sold (or ate) almost 100 boxes of chocolates and 10 cartons of Cadbury Wishes – it was a great team effort (a thank you also goes out to my boys who powered through a few boxes themselves!)

This year we were also lucky enough to secure another sausage sizzle at Bunnings Warehouse Northland. Despite a clash with Saturday competition and scorching 40 degree heat, our BBQ fundraiser was a huge success and on par the last years effort. A special thank you goes out to the following amazing volunteers who championed efforts on the day as it wouldn't have been possible without you: Laz Simonovski, Clare Luber, Paul Kennedy, Yasmin Djankovic, Connie Cardile, Rod Doyle, Darren Ledwich, Diane Lowe, Ken Ou, Sue Zerna, Sharon Hankinson, Rob Prendergast and Lloyd Hill.

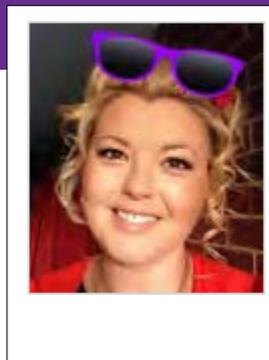

Fundraising efforts didn't stop there. Our centre fundraising stall smashed last year's record breaking tally with a bake sale to end all bake sales! Encouraged by some timely discounts and some added silent auction hype, our stall raised the bar by taking team spirit to a whole new level. Thank you again to all our talented bakers and generous donors it was a brilliant effort!

RLAC club fundraising is well established and continues thrive although, this couldn't be achieved without the help and support of our committee and RLAC parents – thank you!

I'd like to wish my predecessor (whoever he or she may be) the best of luck next year. Fundraising is a rewarding job that directly supports our athletes and I'm sure RLAC families will continue to support club fundraising and raise the bar again next year!

Shana Simonovski

FUNDRAISING COORDINATOR

PB Program

The Club goal of 1,647 PB's was set at the start of the season and heading into the Centre Championship weekend we needed 71 PB's to achieve this. All our athletes challenged themselves smashing out 135 PB's over the weekend bringing our club total to 1,711 for the season!

Congratulations, an excellent effort by all our athletes!!! Well done.

With so many athletes achieving many personal best it was not a surprise that in there endeavours approximately 35 club records were broken or established some of them long standing records of 25 years or more.

We would like to thank the following sponsors for helping make the PB program a success. We also would like to thank all the parents who support the program by enabling your athletes to redeem their reward and validating their accomplishment.:

- Mc Donald's Yallambie
- Cold Rock Ivanhoe
- NRG Force Thomastown
- Magnum Movies Yallambie
- Bakers Delight Rosanna.

Thank you also to the following people who made themselves available to take photos of our athletes for the recognition board and also the record photos presented at presentation day:

- Simon Rigoni
- Graeme Reynolds
- Joanne Hazelton

Thank you also to the age group coordinators for helping us make sure that the athletes receive their rewards.

Warren and Sue Zerna

PERSONAL BEST COORDINATORS

Coaching

Season 2013-14 has been another successful season both on & off the track.

The club aims to provide an environment whereby athletes enjoy, participate & strive for personal bests on all occasions. Athletes were willing to learn the various disciplines & their behaviour was exceptional in regards to representing the Rosanna Little Athletics Club.

I would like to thank Sue & Warren Zerna for the Personal Best program which has been a key ingredient in making the club successful. As well, the hard working committee, lead by our President Ruth Bloom, and Secretary Jamie Parsons who laid the foundation for a smooth running season.

Finally, I wish all non-returning athletes all the best wishes for their future pursuits & hope to see everyone else back for another successful season.

James Lynch

COACH

Parent helpers

Thank you, parents of Rosanna athletes. You have once again made our program duties easy to run. I would particularly like to thank Rob Prendergast for his ability to keep all positions filled with as little fuss as possible, week in week out: when Rob is on the job we know it will all run smoothly, if not exactly as according to plan.

I would also like to acknowledge the wonderful Rosanna committee, headed by Ruth, for making the running of the club look so easy (when there is a lot of hard work going on); and for making Little Athletics a fun place for all the family

Most of the jobs we are required to fill are very easy, and require no prior knowledge. The jobs also allow you to understand what your children need to do each week. This season saw some new people step up to chief Shot Put- thank you very much Simon Vincent and David Caminiti. With running two Shot Put Venues, this gives us more options and a sense of relief if anyone is away or sick. The aim for next season is get some extra Discus chiefs up and running to relieve Susanne Derrett, who has been Chief discus Chief all season.

There were, as always, a large number of parents who were more than happy to fill any role I needed on the day. And by the end of the season, most people were reading the roster on the website prior to the day, and were aware of when and where they had been rostered, and were letting us know when they arrived at the tent. Some people were even remembering to text me if they knew they would not be attending a session. It is a great help if I know beforehand whether a family is participating on any given weekend. Thank you all very much.

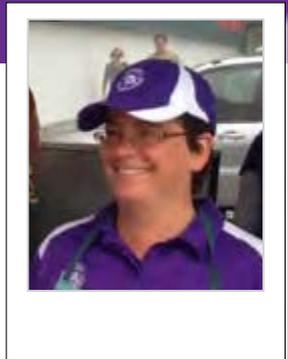

Thank you especially to our chiefs in season 2013-14 for putting in a lot of effort every week:

James Lynch, Bob D, Rob Prendergast, Jamie Parsons, Grant Stowell, Susanne Derrett, Tony Hannan and Peter Higgs. Thank you all very much. These parents are fantastic, and have given a lot to the club. It would be great if they could watch their children compete occasionally! The more people officiating, the less each Chief needs to do. Please let any committee member know if you are interested in becoming a chief. We will certainly do everything possible to make it easy for you to do so.

As always it has been a pleasure to be a part of such a well organised, welcoming and fun club.

Michelle Kennedy & Rob Prendergast

PARENT HELPER COORDINATORS

Registration

Congratulations to all the Rosanna athletes on a fantastic year!

The registration process changed to a completely online format this season (no paper registrations). This had some early problems when registering more than one family member. Next season it should run a lot smoother, with family members now being linked. The online method has taken away some of the registrars workload, as each family types in their own details.

We had a total of 148 athletes registered this season, of which 81 registered on Rosanna's sign up day, taking the pressure off the come 'n' try days. We even had 2 register after the Christmas break. We retained 78 athletes from last season, we obtained 62 completely new members and we had 8 athletes which had been previous RLAC members prior to last season.

I would like to take this opportunity to thank all the committee members for their support. You all made me feel very welcome in my first season as registrar. Special thanks to Sharon Hankinson for passing on all her registrar knowledge, I could not have done the job without your help, thank you so much.

I look forward to being RLAC registrar next season.

Gail Doyle

Under 6 Athletes

In their first season as a Rosanna Athlete the U6 on track group started to learn some of the skills required to compete at little aths in Under 8.

The theme for an U6 athlete is to have fun and this was event by the huge smiles they had on their faces. Most really enjoyed the "running race" which proved to be a big hit not only for the athletes but those who watched.

Congratulations to all the U6 athletes we hope to see you next year in U7.

Warren and Sue Zema

Age group reports

Under 7 Athletes

We had a great team of U7 athletes this season and it was great to see some U6 athletes return to complete their final ontrack season. Still with an emphasis of having fun our athletes consolidated their skills and showcased what they had learnt at the centre championships.

Our Under 7 athletes performed really well at the centre championships we had numerous top 10 finishes and 2 silver and 2 bronze medals received . Congratulations.

Special mention to :

Victoria Meaden U7 who broke the U7 Girls discus record of 12.48m previously held by Simone Lyon 84/85 by throwing 12.89m.

Well done everyone see you in Under 8's

Warren and Sue Zema

Under 8 Girls

I have really enjoyed being the age group coordinator for the under 8 girls this season and getting to know the kids and their parents. I have seen the girls improving throughout the season and achieving PBs on a weekly basis, a fact noticeable by the PB rewards I've been able to pass on to all of the girls. A number of the girls took part in the regional relay championships and track & field championships, and most of the girls took part in the club championships where they won 5 medals between them.

It has also been nice to see the girls getting on so well with each other and playing together between events. Hope to see them all again next season.

Steve Oliver

Under 8 Boys

The under 8 boys have been a fantastic group full of boundless energy and enthusiasm. All of them have shown great improvement over the season with many PB's and some outstanding individual performances. Most importantly the boys have become a great group of friends, encouraging each other and just having heaps of fun!

I congratulate all the under 8 boys for their sportsmanship, passion and desire to do their best. Also thanks to all the parents who have helped and encouraged the boys every week.

Adam Franklin

Age group reports

Under 9 Girls

The Under 9 girls put in a superb effort this year and everyone is very proud of their achievements. All of the girls did very well and had many PB's between them which is what we like to see.

Well done girls and were looking forward to another great season in under 10's.

Monica Turcu

Under 9 Boys

The Under 9 boys Jack, Lucas, Ilija, Louis and Marcus welcomed new comers Mason, Spencer and Jacob to a fantastic season. The group became great friends, and encouraged each other each week. They gained many PB's, and had lots of fun. They achieved great success individually and in the relays.

A big thank you to all the parent helpers and the Rosanna Committee for all of their tireless work.

I look forward to seeing everyone in 2014 -15 season.

Karl Schroeder

Under 10 Girls

This year we have had a number of new faces in the U10 girls, as well as some of the old faithful returning.

We have had many PB's between the girls and they are always supportive of each other. They have also forged close bonds.

I would like to wish my girls good luck for next year as I am moving to another age group. It really has been great to see the girls develop their skills over the last few years. Next year I will cheer them on from the sidelines.

Bronwyn Meaden

Under 10 Boys

'Congratulations to the U10 boys this season. It was clear that everyone enjoyed competing and were looking to do their best each week.

We had plenty of PBs this year and it was a great team to be a part of. We hope that you all return for more success next season'.

David Caminiti & Simon Vincent

Age group reports

Under 11 Boys

Congratulations to all the under 11 boys for another great season. Next year is set to be another great year when you move into the next phase of little athletics and start using blocks and running spikes.

Hope to see all you great lads back next season. Well done Boys!!

Lloyd Hill

Under 11 Girls

Congratulations to the under 11 girls for a great season with plenty of PB's and good fun. Everyone put in an amazing effort this year and we are all very proud of your achievements.

Well done girls and good luck in under 12's.

Under 12 Girls

I was privileged this season to be the U12 Girls Coordinator as well as Team Manager with Robin. I had a small group of four girls consisting of Lucinda, Rosie, Lillie and Danielle who made my job extremely easy, these girls knew the routine very well, with minimum help required from me so a big thank you to you all.

Both Rosie and Lucinda have again successfully represented Diamond Valley at Region Competition this season and will be progressing to State Championships. All of the girls should be proud of their achievements this year and I wish them the very best in their future paths.

Claire Lubber

Under 12 Boys

The 2013-14 season has been another great year for the U12 boys. They have all competed to the best of their ability and we have seen many PB's by all of the boys. Each week they stick together and the sportsmanship amongst them is great to see.

This season the under 12 boys have started a new phase of athletics, as spikes and blocks were introduced and I know that all boys have really enjoyed this transition. Hope to see all boys back as under 13's next season.

I would like to congratulate Joshua, Michael, Calvin and Ben for qualifying for the up and coming State Track and Field championships. "Good Luck Lads". Well done Boys!

Rob Ellis

Age group reports

Under 13-16 Athletes

This season we had 31 senior athletes sign up (8 more than the previous year). Although we only had on average 20 regularly attending each week. The biggest groups being U13's with 15 athletes and U14's with 13 athletes. Unfortunately this season I was not very involved with our senior athletes due to Zac being unable to participate for most of the season.

We had 8 senior athletes progress to State -

Eloise Derrett	Emma Hannan	Taylor Langford	Rachel Ware
Declan Bloom	Benjamin Collins	Aaron Luber	Rhys Rigoni

Congratulations and good luck to them all J.

RLAC passes on our best wishes to our only Under 16 athlete for this season - Lachlan Higgs and I'm sure he will continue competing at a higher level. Good luck in the future Higgys!!

Go Rosanna!

Sharon Hankinson

Lachlan Higgs

Highlights and achievements:

- Lachlan started his athletic journey at RLAC only leaving when his family moved to Perth after his U11 season. Lachlan returned to RLAC as an U15 and finishes this year as a valued U16 athlete.
- During the 2013-14 season Lachlan broke 7 club records and currently holds 9 club records.
- Lachlan has achieved 57 PB's since the PB program has started and has proven to be a valuable member of our club.

Highlights and achievements from Lachlan's time at LAC in Perth (UWALAC):

- Lachlan was a great role model at the club as his high standards and dedication to giving his best inspired the younger athletes.
- He won the coaches award in 2012 (U14's) because of this and his great attitude to training and self improvement.
- Lachlan was also a member of the under 14's 400m relay team that won gold at the state relays.
- Lachlan is definitely an athlete who would always give his best and get the best out of himself and we all still wish he was in Perth and training with the boys. The boys still often reflect on this and he is often in their thoughts.
